These Jewish organizations are a farce. Jews have their own ethnostate, are fully emancipated across the globe, and have four times the household wealth as the average American family. At this point, our sympathy is being exploited with this self-serving propaganda. 1/5

More nonsense. Jews need something to hang white people on so they manufactured this offense called "hate" - a human emotion - so they can browbeat whites into submission. And in their media, they portray this "hate" as though it's uniquely a product of white people. 🖐️ 2/5

But here is reality 🖐️ Shouldn't these white kids get a share of voice? Must all of the tweets from these Jewish groups feature non-white victims? Is this a true representation of the empirical world? It isn't, and that's why it's propaganda. 3/5

Oh, so you think this is unfair? Well, they've got a word for that too - it's called "white privilege." Checkmate, racist. 4/5

This one-sided narrative is why people say these Jew orgs have an anti-white agenda. Their goal is simple: use propaganda to disconnect people from the empirical world so they can create an alternate reality & saddle white people with guilt until they subordinate themselves. 4/5

And here's a little secret about "tolerance" - aside from a few "likes" on Twitter from anti-white racists, its only reward is the extirpation of your DNA. And remember white people, love everyone except your own people, because loving your own people is actually hate. 5/5
